## 1990

Mrs. Jane Rowell writes to say open racing is killing whippet racing and Keith Robinson endorses this by saying only one top ten open should be run on the same day. Joe Mather, owner of Blue Peter died on the 2<sup>nd</sup> January aged 78 years. What a character he was, when he wasn't racing his whippets he was racing his trotting horses and could usually be found every year at the famous Appleby Horse Fair. Mr. Benn dominated the stud scene with some of his dogs running :- Double XX, Kibenora, Maddison, Strimmer and Rio.

Andrew Pattison, a young lad from Peterlee went to a lot of time and trouble by writing about well known dogs past and present. His research was wonderful and he wrote a lot of very interesting articles.

Nimbul, Another Maid and Little Jim died this year amongst many more old timers Dogs running well in the top ten were Girl's Talk, Indian Joe, Halloween, Valentine, Sarah Fox, Try Sex and He's a Mystery. Laura's Dream emerged and was the find of the century. What a marvellous little dog this was to become.

Linda and Kevin Fowler had a most successful year with their charges Valentine and Kibenora, winning their championships and Valentine supreme at BWRA champs.

## 1991

Voting at the BWRA meeting caused a stir, or rather lots of stirs. Drug testing was voted to be abolished but this was defeated and for the 3 dogs and 3 bitches at championships to be tested to remain. Postal votes were deemed useless but this was defeated and even more important a rule to ban people walking up the track came into force. This caused an extraordinary meeting to be called and resulted in Chairman Malcom Clarke to resign. As he said members never even gave this rule a chance to see if it would work or not and to call an extraordinary meeting deems no confidence in the committee, who work their socks off to please members. This was supported in letters to W.N. by Johnno Abbot and Don Syson, both experienced racers. Liz Tinsley wrote to say banning walking up the track penalised the single owner and Chris Archer who ran Gracelands Sunrise agreed with her and said as a lone owner, she preferred to put her own dog in the trap and be there at the finish to pick him up. There is a lot to be said for and against this as what about all those owners who find it hard to walk up the track, I am rapidly becoming one of them now so can understand them. Also what about those dogs that throw themselves about in the traps whilst watching their owners walk away, especially now there are things called kick boxes in the traps. Bill Parker who owned Mack the Knife passed away this year as did many famous dogs including Sovereign, Nottingham Forest, Soft Touch, Brandy Queen, The Gripper, and Mooney's Boy.

Pauline Wilson gives up the editorship of Whippet News to try self support farming in

the Orkney Isles and Marty and Carol Collins takes over.  
 Dogs running were Indian Joe, Sarah Fox, Predator and Boy's Talk and the wonderful Laura's Dream owner by Erica Redshaw from the north east. Laura's Dream was winning everything including the Highland Derby and for interest he was one of only two dogs to get in the top ten for four years running, the other one being Linda Windle's Sovereign Rose.

## 1992

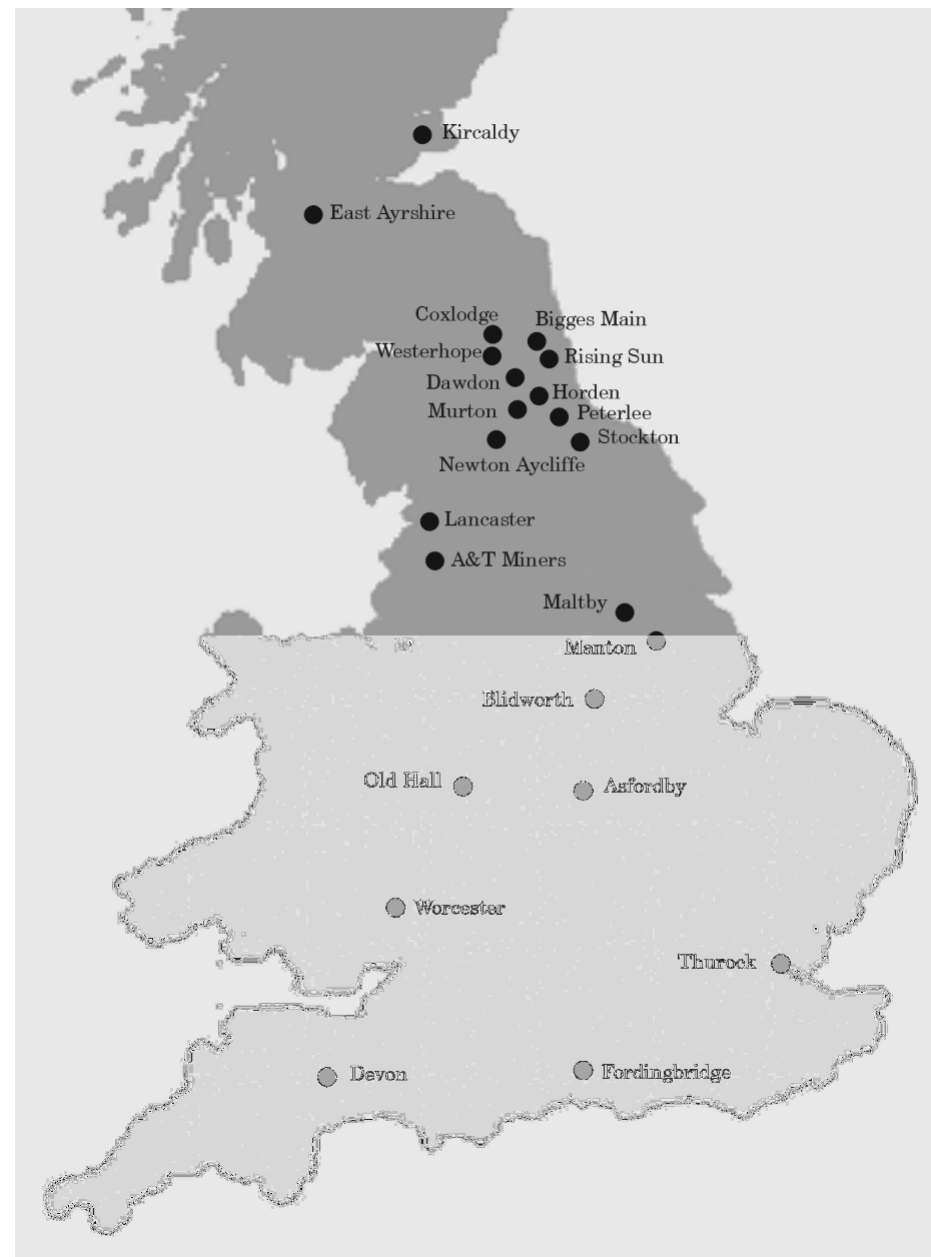

Laura's Dream was still running superbly. Maddison was rising in stud dog fame whilst his brother, Strimmer, went back with his breeders, Steve and Jane Rowell. Boy's Talk took the open lead and also running well were Gone Again, Swift Ellie and Unix.  
 Famous dogs left us this year including Country Music, Mo Evil and Apache Gold.

## 1993

New concept - Meditronic Racing Therapy Unit was advertised. Treats tendons, muscle, ligament and bone and helps maintain fitness - conditioning maximising your dog's performance.  
 Swift Ellie swiftly came to the fore in open racing with Xspell still doing well and Laura's Dream still hanging on in there for his fourth year. Others running well were Mad Rush, Don Jose, Estafan and Dessie.  
 Ken Aitchison steps down as BWRA Secretary after 4 years and well known dogs died including Linx, Irish Tinker, More Music, Wally Stag, Lorelei and Reapers Dream. Kickboards reared their ugly heads and Michael Hemmings writes "kickboards are so big whippets have to be front loaded" Keith Robinson (Smoke Ring) was heard to say at the traps at one meeting "it's getting more like a bloody circus with people shouting different commands to their dogs and tape recorders being stuck on the traps to supposedly keep the dogs calm.  
 The last offspring of Yorky Boy died, she was Latest Model aged 16 and a half.

## 1994

Madame X started controversy corner and had many a ding dong with racers over a variety of subjects. At least she kept them on their toes. Open round up was split into two groups of 10 dogs and 10 bitches which of course meant top 20 instead of top 10. Top dogs were Snow Fox, Crazy Cracker and Flying Scotsman and leading bitches were Dessie, Gold Runner, Knock Out, Chyanne and Jolson. This was reverted back to

There were 115 clubs going in 1979 as per the map in my previous book. Now in 2004 the enclosed map only shows 22 clubs as follows:-

top 10 dogs after this year.

BWRA scrapped regional qualifiers which in my opinion was a nail in the coffin for regional and club racing. These regionals provided racing without open class and points opens cropping up everywhere. Regional and club dogs could run and try their best and if one of them qualified, what an honour to go to the championships. New BWRA Secretary was Ian Heaney who resigned almost as soon as he was elected, his reasons being "in view of the obstructive nature of Chairman, and outdated constraining democratic principles upon which BWRA is founded." Jane Rowell stepped into the breach until a new Secretary could be found. Madam X Quotes "what a shame Mr. Heaney resigned as he was the man to bring us into the 21<sup>st</sup> century." She was probably right.

BWRA was also rumored to have had about 16 dogs fail their drugs test this year. Positive for stimulants but nothing became of it because all were low in content.

**1995**

Top Ten was back into 10, 5 dogs and 5 bitches.

Crazy Cracker was the winner and the first to receive the new Polar Force - Magnetic Field Therapy Unit as a prize.

Marillion was well in the lead in the stud dog competition which his offspring Mick's Mystery, Jodami, Gloria, Marella, New Dawn, Biondi, Cascara, Rebellion, Lucky Strike and Cheeky Madam, gaining points for him.

Famous dogs to die were Steinman, Grasscutter, Kerry's Dream, Silent Tears and the youngster Beelzebub who was just making a name for himself.

The column 'Remember When' started and Madam X praised Devon as the best event of the year - which it was.

**1996**

Alison Armstrong takes over compiling the Top Ten competition and Audrey Johnson resigns as BWRA Registrar after 8 years.

Dogs running well were Razzamatazz, Cheeky Madam, Fly Free, Stewart, Xocet, Crazy Cracker, Rag Tag and Gecko.

Madam X leaves controversy corner, she will be missed as she provoked many folks to have lively discussions.

Jack Cadnam and autumn pups was moved to Seaham for the first time and Marty and Carole Collins leaves the Whippet News because of pressure from work.

## 1997

John Fitzpatrick starts "fantasy racing" called 10 you follow. Russell and Wendy Bond of Haizy Maizy fame retired and with Marty and Carole leaving and Mark Harvey nowhere to be seen, Paul Jennings must have been feeling lonely as this was the break up of the original "gang." However Paul consoled himself by becoming the BWRA Chairman, a post he is still in today, and a very good job he has made of it. Vicky Redfearn retires from the North East Whippet and Greyhound Supplies shop and she and her business will be greatly missed.

We lost a great many famous dogs this year including Sailor, Lord of the Maids, Southern Flash, Maid by Another, Ty Cool, Don Jose, Toby Sings, Steel Venture, Latest Edition

Marillion was still doing well at stud and an EGM was called by the BWRA committee because proposals passed by postal votes were unworkable and could seriously jeopardise the running of the Association.

Dogs running well were Fly Free, Gecko, It's the Pitt's, Hillside Lad, Swift Holly, Crackerjack, Moonshell and Marley who through injury was very unlucky not to get a title.

The Highland Derby was moved from the Highlands to Kirkcaldy and the premier running of the English Derby took place at Devon, Hillside Lad being the first winner.

## 1998

Dogs running well this year included Rapid Fire, Swift Holly, What Spot and Cracker. The whippet derby run at Seaham this year was a great success with winners Triple Mystery, Cracker, Razzmatazz, Adams Mystery and TH Cees.

The 10 you follow competition was also great fun with a lot of people interested, some having 2 or 3 entries.

Two well known couples decided to retire this year, Steve and Jane Rowell of I.B.M. fame amongst others, but Jane is still going to keep the stud dog list together. The other couple were Doreen and Brian Seedhouse from Devon of Blue Boy fame. Brian and Doreen worked hard on the Devon weeks holiday that we all enjoy so much.

A lot of well-known dogs died this year including Sovereign Rose, Mr. Ross, Meg's Honey, I.B.M., Rio, Nott Free, It's a Mystery and Had no Choice.

BWRA found two samples positive, Rab Patterson's Hillside Lad from Scotland who received a warning and stripped of his title and Jane Poole's Xstasy who was suspended for 1 year and stripped of title. Both owners were absolutely shocked at this discovery, it certainly is becoming a problem to know what not to give dogs that would show up in a test. Chocolate drops and chocolate biscuits seem all these owners were guilty of giving their dogs.

## 1999

A quiet but tragic year. I feel I do not want to comment much on this year as the most tragic accident occurred when Chris Cornish and Paul Jennings caravan blew up at Seaham in a freak accident killing both their beloved dogs, little Cracker and pup Red. These little dogs will never be forgotten and condolences to Chris, Paul, Emma and young Paul who I know had an awful year coming to terms with this. Dogs running well were Mary and Dave Chapman's Swift Holly who took the top 10 for the second year running, Definitely Blue, One's a Mystery, Two Become One, Rapid Fire, Slippy Blue, Little Madam and A Kinda Magic. Dark Despair died as did Marillion

## 2000

BWRA had a big discussion of the drug problem, especially the Mark Pettit case which resulted in a ban. Gerry Day, owner of Sing On, More Folly, More Music etc., died and dogs to leave us included MOD and Sonar. It was the first ever yearling championship with K Sera the winner. In the pups, two new names which I am sure will become well known were The Secret and Fluke. Adult dogs running well were June and Terry Heaney's Mystical Dancer and brother Ian and Gill's Dancing Wind who was making a name for herself. Little Madam, Kirkby, Sasperella, Shooting Star, Mad Mick and Branca were also doing well.

A tragic accident during the bend racing was Smurfette who died whilst being involved in a fall and the Federation was also having drug problems with Irene Cunningham's bitch, Not Now Rosie, being found positive. She had a 2 year ban but hasn't a clue as to how the substances got there.

John Meades started The Independent Racing Group which didn't seem to be recognized by W.N., BWRA or Federation. It is an honest to goodness society where people can speak their minds and voice ideas. They organise good fair racing for all with 2 runs each dog and an open balance sheet of where the money goes. It operates all over the country and has an excellent little monthly magazine.

## 2001

Where is it all going to end! The year starts and we lose two of our most popular racers owing to a drug test which proved positive at the end of last year at the Fed Bend Championships. Their Little Madam failed a test on an anti-steroidal anti-inflammatory drug plus caffeine, theophylline and theobromine.

The Whippet Derby seems to have found a permanent home at Newton Aycliffe where it seems everything is perfect. The only trouble is it's a long way for people in the

south of the country to travel to.

Kirkcaldy has a completely new track laid, after complaints about their old one. Fluke is still running supremely with Kirby, Shooting Star and Branca hanging in there. Brother and sister Mad Mick and Rosie's Double are making a name for themselves but Shooting Star wins the top ten with Stormbird defending his title for scratch champion of the year. Kiss 'n' Tell was the top veteran.

NWRF Registrar Keith Fowler died suddenly and we also lose Alice Tate and John Ashworth, both respected owners in their regions.

Dogs to go this year are Girl's Talk, Halloween, Morag and Light Despair.

## 2002

B.W.R.A. change venues from Old Hall to a new one at Ashfordby and Ken and Margaret Aitchison retire to the Scottish Highlands, we shall miss them.

Steve Heaney (Nutmeg), Sam Hallam (Captain Kid) and Sue Parker (Midnight) died and sympathy to all their families are given. We lose dogs Unix, Tyback, Swift Holly (tragically whilst on holiday) and Crazy Cracker.

Jackarella is a new name, a little dog doing well - also Streisand, Master Blaster, Fluke, Demolition Blue and Bidley (a little bitch from Scotland), who wins the Scottish Derby. A heavyweight bitch Show Three wins the top ten and Storm Bird wins the scratch for the 3<sup>rd</sup> year running. Veteran winner is Hot Number.

## 2003

Last year's BWRA A.G.M. bans kickboards with a vote for 42 against 36. This however upset a lot of people who didn't go to the A.G.M. and another E.G.M. was called and a postal vote was re-instated. This time the decision to ban kickboards was overruled, so it didn't even get a try to see if we could live without them.

Dogs running well included Fluke who won the top 10, the third year she has been in it, Laurana, The Builder, Show Three, Bigland Girl, Coral, Another Spot and Short Spot. Ray Harvey died after being in the sport for over 3 decades and a host of good dogs left us, the worst year I can remember. Indian Joe, Lucarnie, Springfield, Dixies Dream, Pittrone, Stunner, Anubis, Anoso, Hollies Guide, Malachai, Shylo Dawn, Demolition Sue, Snow Fox, Van Gogh, Jack's Back and Jack One. Apologies for any dogs either dying or running well that I have left out of my reports. There are for sure some I have missed.

The year finishes with another drug case, this time Hellbound at the BWRA straight championships, where is it all going to end.
